

FREE SHINE Silicone Free Dressing

Description :

FREE SHINE is a solvent-based silicone free, high gloss, ready-to-use dressing that is transparent and features a strawberry scent. Excellent to treat and preserve vinyl, rubber, leather, plastic, etc. Ideal for bumpers, stripping, vinyl carpets and all types of tires. Leaves a transparent glossy finish that is dry to the touch. Finish remains for over 30 days. The antistatic repels dust. Detergent-resistant.

Advantages :

- Body shop-safe, silicone free.
- Effectively shines and protects rubber, plastic and vinyl surfaces.
- Solvent-based formulation penetrates surface, enhancing durability.
- Transparent glossy finish, ready-to-use.
- Mat finish if wiped or glossy finish if dries by itself.
- Can be used safely in the engine compartment.

Instructions :

Tires

1. Spray product on a terry cloth applicator pad n° 4025 or use a paint brush in small a bucket.
2. Apply on tire with pad or paint brush.
3. Allow product to dry before moving vehicle.

Interior & Exterior
