

GREEN STUFF

Multi-Purpose Natural Degreaser

Description :

GREEN STUFF is an industrial degreaser based on 100% active D-Limonene, effective on surfaces such as: cement, asphalt, tiles, wood, melamine, carpets, fabrics and painted surfaces.

This unique formula represents a new approach to one-step biodegradable degreasing. Quickly and easily removes traces of glue, tar, oil, fir gum, grease, sealant, ink, paint and wax.

Advantages :

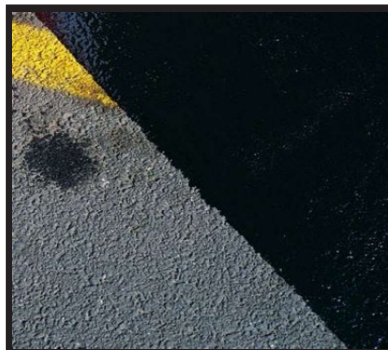

- 0% VOC and silicone free, safe for body shops.
- Formulation based on biodegradable D-Limonene.
- Cleans grease from all surfaces.
- Removes tar, wax and glue.

Instructions :

Test the surface before using this product on paints, plastics, rubbers and other materials sensitive to solvents.

Spray on the surfaces to be cleaned, leave the product to act on the glue, tar or paint. For lighter jobs, apply to a cloth, rub or brush and wipe dry.

Do not dilute.
