

FALL OUT **Liquid Fall Out Kleen**

Description :

Removes rust stains caused by fine airborne steel particles. Prevents particles formed by disc brake friction from altering the vehicle's finish. Fights the oxidizing action of acid rain on hoods covered with particles. Safe for windows and mouldings

Advantages :

- Concentrated liquid formula
- Quickly and easily cleans up fallout.
- Safe for all finished types.

Instructions :

Wet or wash the entire vehicle and do not wipe it dry. This liquid is preferably applied to a wet surface. Use rubber gloves with the spray bottle or swab. Safe for windows and moldings. Spread the product on the vehicle, allow an activation time of about 10 minutes, then iron the wash mitt used for the application to ensure that the surface is completely free of industrial fallout such as surface rust.

Rinse with water and wash the vehicle with Car Wash Concentrate # 801-032.

For a flawless job, it is recommended to apply a Polymer Wax # 600-016 before delivery to the customer.
